# **CHRISTIAN STEWARDSHIP . . .**

Is the practice of regular and proportionate giving of time, talents and material possessions based on the conviction that these are held as a trust from God, to be used in His service, in grateful acknowledgement of all that He does for us through Jesus Christ.

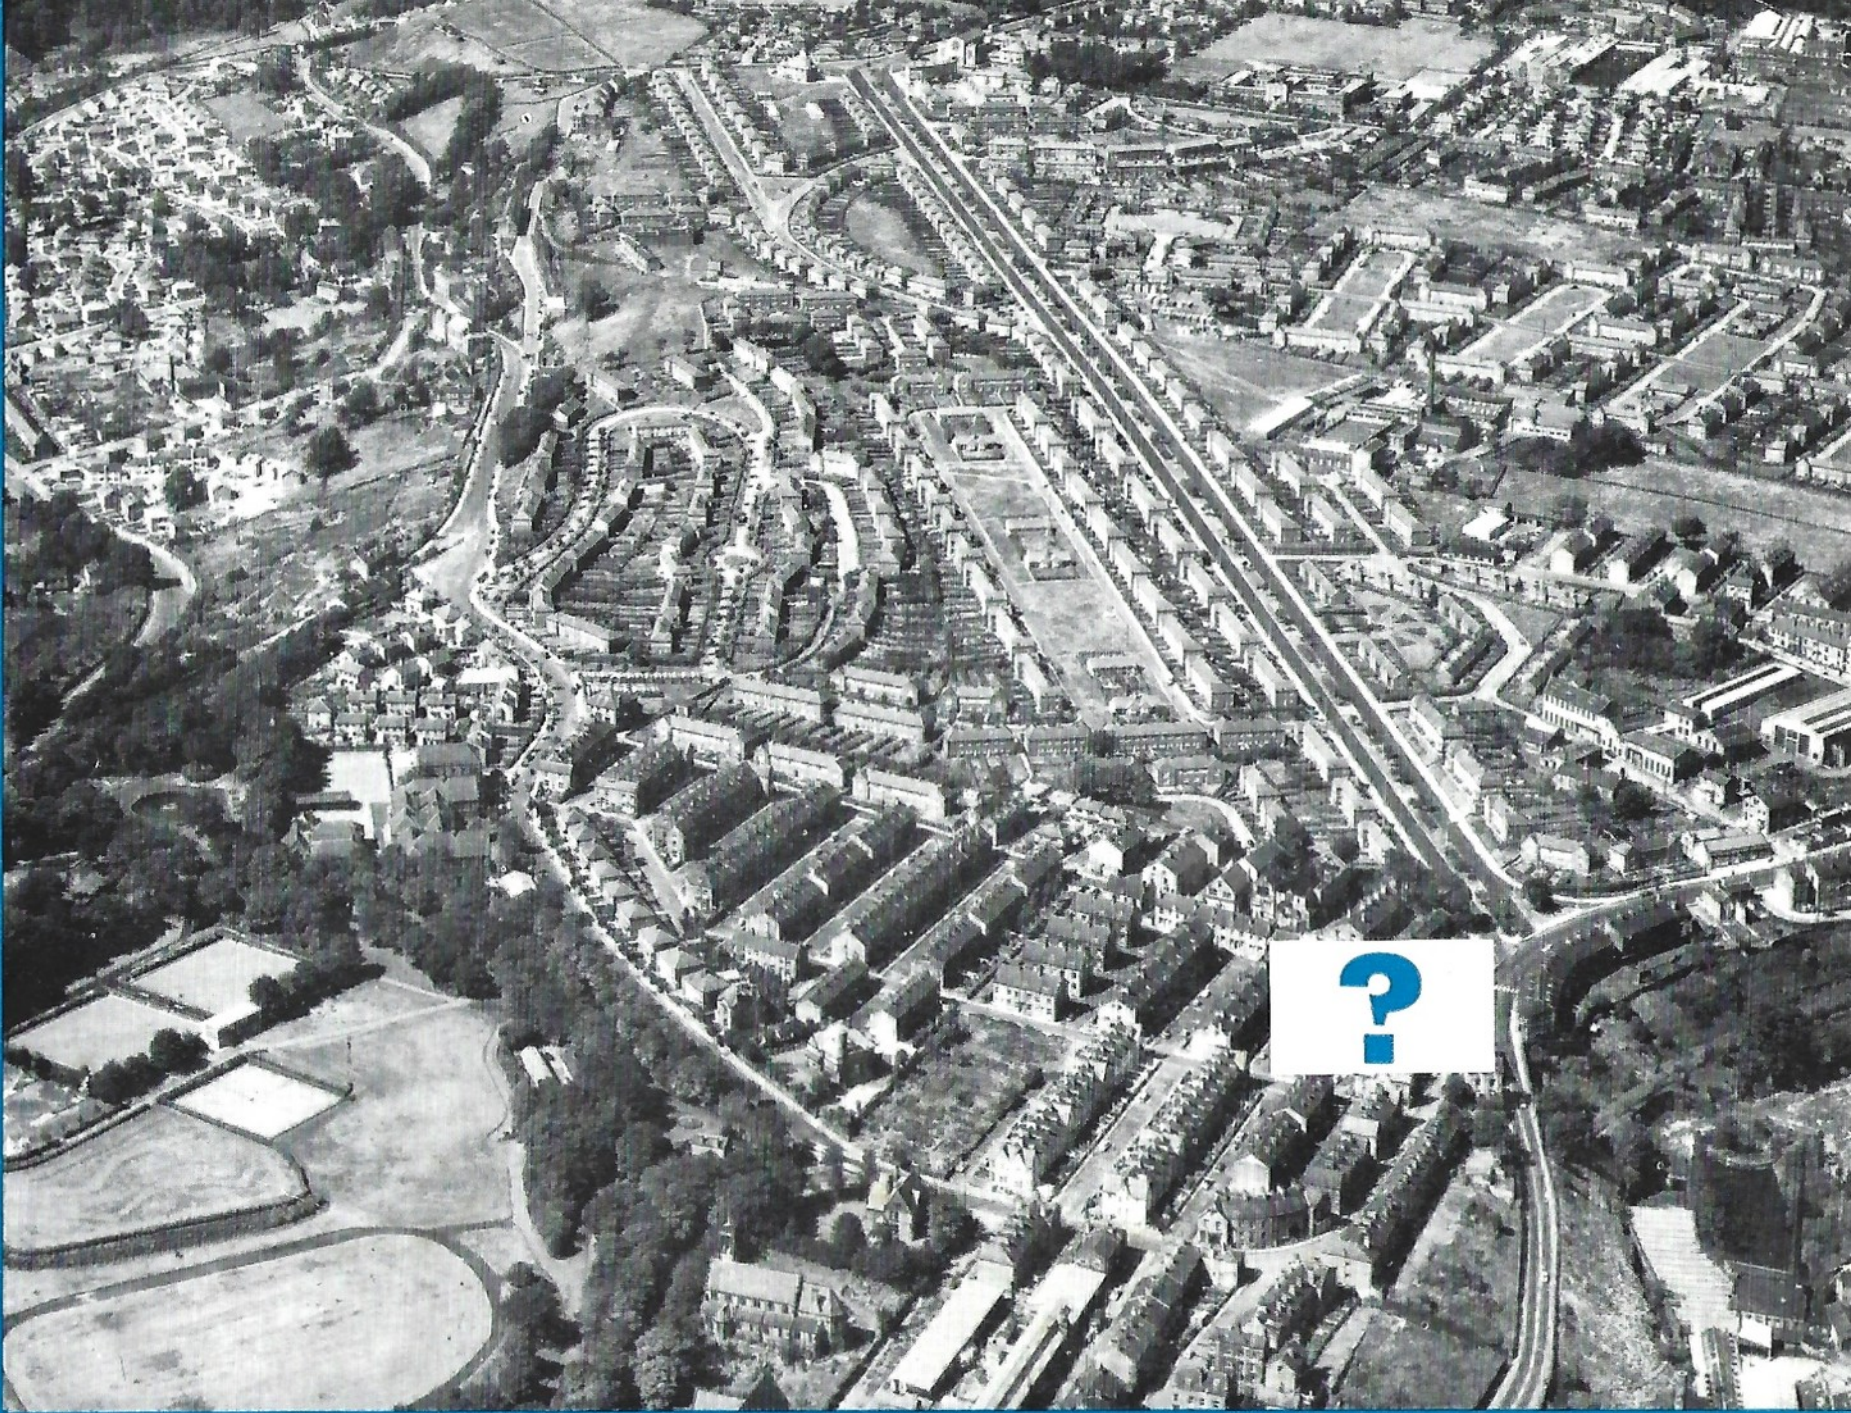

## **WHY A STEWARDSHIP CAMPAIGN ?**

We believe that God has a plan and a purpose for His church in this neighbourhood. He has also provided us with the time, talents and money needed to carry them out.

We believe that all the good things which we possess and enjoy have come from God and that it is our privilege in return to make a worthy response.

We believe that our church is being challenged and that its life will be renewed through a new sense of dedication on the part of each one of us.

## **WHAT WILL YOUR RESPONSE BE ?**

**The Church is people - its shape in the future depends on YOU**
