

LEE MOUNT BAPTIST SUNDAY SCHOOL.

70th ANNIVERSARY SERVICES. SUNDAY JUNE 21st.

Dear Friends,

The third Sunday in June is again approaching and we need hardly remind you that this is the birthday of our Sunday School - the 70th birthday.

On that day the services are at 10-30 a.m. and at 6-0 p.m. when our minister the Rev A Dalton will conduct the worship, and at 2-30 p.m. when the scholars of our school will present a service in song & story entitled "The Wonderful Book" supported by the Young Peoples' Choir.

During the past year the teachers of the Sunday School have been humbly trying to teach the Christ life to the young people committed to their care and to win them for the Master and His service.

So we would earnestly invit all parents to join us on June 21st. It means a good deal of encouragment to the child, & no less to us, when parents take an interest in their Sunday School life.

And to the numerous old scholars and friends we would extend a hearty invitation to come and renew old friendships.

This is the one day in the year when the Sunday School appeal for your support, and you can do this by your presence at one or all of our services.

We feel confident that in asking for all the help you can give us we shall not be asking in vain.

We remain,  
Yours in His service,  
The Sunday School Staff.
