PASTOR'S ADDRESS.

DEAR FRIENDS,

In issuing our Manual we are reminded of the changes of the last few months. You have called me to be your Minister and Pastor. I have accepted that call believing it to be the will of God, and feeling sure that he will be with us in his service, that it may be to his own glory. I desire to thank the Church and friends generally for the hearty reception accorded to myself and family, and I ask a continued interest in your prayers, that God may graciously set the seal of His approval on the union thus formed, by using us for the advancement of His Kingdom.

My knowledge of the Church and its work generally is as yet so limited, that I cannot say much of it. With the general attendance at the services, also at the Lord's Supper, I have been much gratified. May our love for God's house never grow cold, let us be regular and punctual in our attendance, let us seek to bring others also, that the place may be full.

The large membership we have of young people, renders it important that something should be done, specially to aid them in the cultivation of the Spiritual life; for this purpose I am seeking to form a "Christian Band." I shall be glad of the co-operation and aid of friends of larger experience. All may do much in this direction by prayer and example. Any other kind of work which may yet be undertaken for the extension of the Kingdom of Christ will have my hearty sympathy, and all the aid I can possibly give to it.

As members of the Church, let us remember the importance of the position we occupy in being "Disciples of the Lord Jesus Christ," as such there are privileges to enjoy, duties and obligations to discharge, far ahead of anything to which we have as yet attained. By our profession we have "given ourselves to the Lord" (II. Cor. viii, 5). Let us seek to know his will more perfectly, that we may do it more thoroughly. Union with Christ is the one condition of all spiritual power, the one essential to all success, let us seek to maintain that union, ever remembering the Master's words, "Abide in me and I in you, as the branch cannot bear fruit of itself except it abide in the vine, no more can ye except ye abide in me."

That God may fill us with His Spirit and give us peace and prosperity throughout the year is the prayer of

Yours, for Christ's sake,

CAREY HOOD.
